*The award-winning financial services firm receives national recognition as a result of its continued business success, industry leadership*

**ROCKVILLE, MD—October 9, 2013-** Award-winning Maryland-based financial services firm, Kendall Capital Management (KCM), announces today that it has been named to the National Association of Board Certified Advisory Practices (NABCAP)'s Premier Advisors List for the third year in a row.

This highly-esteemed acknowledgment is demonstrative of KCM's continued dedication to independence, as well as the commitment to objectivity, financial savvy, and unique personal touch the firm is well known for. KCM's investment advisory services have consistently contributed to its proven track-record for helping clients achieve their financial goals through its expert, unbiased approach and customized recommendations. This recognition closely follows KCM's recent accomplishment of exceeding the goal of \$100 million in assets under management, leading to an explosive growth of 38.6% in the past year alone.

NABCAP is a nationally-registered 501(c)(3) non-profit organization that was created to compile an annual list of the nation's top wealth managers in its Premier Advisors List in order to better serve the investing community. NABCAP uses a proprietary system in which participating firms are compared against their peers and rated according to several distinguishing characteristics, such as team dynamics, planning and investment philosophies, and customer service model, among several others. This year's NABCAP list has been published in the September issue of the *Washington Business Journal*.

"We are thrilled to have been awarded this recognition for the third consecutive year." KCM CEO, Clark Kendall states. "This award showcases our commitment to offering the utmost in professional and personal financial services to our clients. Receiving positive feedback several years in a row from such an esteemed organization is an extremely satisfying feeling and we look forward to continuing to uphold our reputation and growth goals going forward."

In addition to this recent award win, KCM has also been recognized by the Washington, DC metro area's larger business community as one of the top Wealth Managers in the Mid-Atlantic region. As a result, the firm was profiled in the February, 2013 issue of *Washington SmartCEO Magazine* as part of publication's Reader's Choice program. Clark Kendall is also among the

select few worldwide who have earned the triple designations of Chartered Financial Analyst, Certified Financial Planner and Accredited Estate Planner.
