**Kendall Capital Management Reaches \$150 Million in Assets Under Management, Continues Growth and Expansion Across Montgomery County**

*The area's leading financial services firm hits key milestone, spurred by over 50% growth in the past year*

**ROCKVILLE, MD —September 3, 2014-** The award-winning Maryland-based financial services firm, Kendall Capital Management (KCM), announces today that it has achieved yet another key milestone in its ongoing growth and expansion, \$150 million in assets under management.

This most recent news follows the continued upward growth trajectory the company has experienced over recent months, which resulted in 50% growth over the past year. Additionally, in July, 2014, Kendall Capital announced the hire of seasoned financial advisor, Carol Petrov, to assist in the management of the increased workload and to bring her more than 12 years of experience in the field to the firm's ongoing growth,

"We are proud to announce this latest milestone in our company's continued growth and evolution," KCM CEO, Clark Kendall says. "Reaching the \$150 million in assets under management milestone is a significant achievement for us as a company, and it has been a target goal for many years. We continue to thank our clients for their tremendous support in our journey as a company as we look forward to growing to new heights in the years ahead!"

Serving Montgomery County's "Middle Class Millionaires," KCM has built a continued reputation for high-quality customer service, industry expertise, and value-driven results. Area native Clark Kendall is also actively involved within the local nonprofit and government communities and volunteers his time to a number of worthy organizations. KCM also holds regular seminar events throughout the year for its clients and the larger "Middle Class Millionaire" community focused on the latest industry trends and issues, to ensure they are well informed and receiving maximum value from their partnership with KCM to manage and advise on their financial goals and futures.
